Cl. 188.—Royal Warrant Revising the Regulations for Appointments to the Administrative Ranks of the Control Department.

VICTORIA R.

WHEREAS we deem it expedient to revise the regulations respecting the appointment of combatant officers to the administrative ranks of the Control Department of our Army, and also those relating to the appointment of non-commissioned officers to the Supply and Transport Sub-department;

Our will and pleasure is that Articles 285, 286, 287, and 307 of our Warrant of the 27th December, 1870, be cancelled, and that the following Articles be substituted in lieu thereof :—

285. Combatant officers of our Army so selected shall not be under the rank of captain, shall have not less than five years' full-pay service as commissioned officers, and shall, as a general rule, have passed through the Staff College, or the advanced class at Woolwich. Officers of our Royal Artillery may be appointed up to forty years of age; but officers appointed from other branches of our Army shall be under thirty-five years of age. Before final appointment to the department they shall undergo a probation of two years as acting assistant controllers, during which time they shall be detached from their regiments. 307. Non-commissioned officers of our Army distinguished for zeal, ability, and good conduct, shall be eligible for commissions in the Sub-department. They will be required to pass such educational examination as may be approved by our Secretary of State.

Given at our court at Balmoral, this 26th day of September, 1871, in the 35th year of our reign.

ARMY CIRCULARS—*continued.*

Cl. 189.—Fraudulent Enlistment.

1. With reference to Clause 137, Army Circulars, 1871, officers commanding regiments are requested to notify to the Secretary of State for War all fraudulent enlistments as soon as they are discovered, with a view to the immediate recovery of the enlisting rewards.

2. In notifying such fraud, the date and place of the man's enlistment should be stated, and also whether he was a district or head-quarter recruit, together with all other necessary particulars.

Cl. 190.—Regimental Command Pay.

With reference to Article 235, Royal Warrant, 27th December, 1870, it is notified that in cases where the absence of a commanding officer extends over the date of a monthly return, the next senior officer present with the regiment will receive the command pay from the date on which the superior officer relinquishes his command to the date on which he rejoins for duty; and the latter officer will forfeit the command pay for such period.

CONTROL SERVICES.

Cl. 191.—Control Account Vouchers.

Control officers are requested to state distinctly on the staff ration return [W. O. Form, No. 942] which is used as a voucher to control accounts, the actual rank or position of the officers or other persons drawing allowances, either in money or in kind. The same information should be given on all vouchers and returns, applicable to pay, and allowances, which vary according to the rank of the officer.

Cl. 192.—Wads (Grummet), for Rifled Muzzle-Loading Guns,—alteration in Equipment Regulations.

In consequence of the decision announced in § 1973, List of Changes in Artillery Matériel, &c., issued with Army Circular of 1st November, 1870, the following alteration will be made in the tables of proportions of ordnance and stores for garrison service, in the "Revised Army Regulations," Vol. III., Royal Warrant and Regulations for the Equipment of Her Majesty's Army, viz.:—at pp. 2 and 18 the proportion of wads (grummet), will be struck out, and the following note appended:—

"These wads will only be supplied on special demands, for use with rifled muzzle-loading guns, when firing at angles of depression."

Cl. 193.—Bunting for Flags.

1. Machine-made (power loom) bunting will in future be used instead of hand-made bunting in the manufacture of the various ensigns and flags supplied by this department.

2. All such flags will be marked on the hem in permanent ink with the name of the contractor, the year of supply, and the letters P. L. (power loom).

3. As the new bunting cannot be used for the repair of existing flags, the following instructions are issued for the guidance of control and other officers concerned.

4. In demanding bunting and worsted for repairs, the requisition will always show the description of flag to be repaired, the year of supply and the initial letters (if any).

5. Flags that have been long in use and are much worn will be condemned and exchanged for others of the new pattern bunting, the condemned flags being retained and cut up for repairing others of the same material in use.

6. When a large or expensive flag requires only moderate repairs, a smaller flag of the same material (in use) may be taken for the purpose and replaced by one of the new pattern; but when the repairs required are extensive the flag will be returned to the Royal Arsenal, Woolwich.

7. The above instructions do not apply to royal standards or flags of special patterns; the repair of which must be left to the discretion of the controller at the station.

Cl. 194.—Rifle Slings.

1. Reports have been received from regiments that the brass buckle of the long rifle sling, when worn next the trigger guard,—as laid down in General Order No. 36, dated 1st May, 1871,—has a tendency to wear a hole in the breast of the soldier's tunic when the rifle is carried at the "slope."

2. A leather thong of white horsehide will therefore be substituted for the brass buckle for fastening the lower end of the sling when passed through the guard swivel.

Digitized by Google

ARMY CIRCULARS—*continued.*

3. Officers commanding are accordingly authorized to have the long rifle slings of the battalion or regiment under their command altered, for which purpose leather thongs will be supplied from store, on requisition from the officer commanding to the district controller.

4. The sum of 1*s.* per 100 slings will be allowed for punching the necessary holes in the slings, which work should be done, where practicable, by the regimental shoemaker.

5. The brass buckles now in use with the slings, when replaced by the leather thongs, should be duly accounted for and returned into store at the nearest control depôt.

Cl. 195.—Valises.

1. With reference to Clause 126, Army Circulars, 1871, regarding the supply of valises, it has been decided that all valises in possession of regiments shall be brought on charge in the equipment ledger as accoutrements, and that such valises as have been paid for by the men shall be purchased by the government at a fair valuation.

2. The value of the valises will be ascertained by a board of survey, as pointed out in paragraph 3 of Clause 126, Army Circulars, 1871, and report of the board forwarded to this office for approval before the money is paid to the men.

3. Paragraphs 5, 6, and 7, of Clause 126, Army Circulars, 1871, are hereby cancelled.

Cl. 196.—Proportions of Stores for Ordnance.

The Secretary of State has approved of the following alterations in the Equipment Regulations, 1870 (Revised Army Regulations, Vol. 3), in reference to the proportions of stores for ordnance:—

The "bit" and "drift" as at present supplied to ordnance in accordance with the proportion laid down at pages 2, 11, 14, 16, 48, 51, 53, 56, 68, 100, of the Equipment Regulations, will in future be abolished as articles of equipment; it being considered that any obstruction in the vent can be cleared away by the "pricker" *only*. Prickers for 64-pr. B. L. R. guns will be issued in place of the set of priming irons at page 7.

Cl. 197.—Tin Cups for use with the 7-inch 64-pr. and 40-pr. B. L. R. Guns.

The service supply of tin cups for use with the 7-inch 64-pr. and 40-pr. B. L. R. guns, will be one cup per cartridge in lieu of the proportion laid down at page 5 of the Equipment Regulations, and for practice the officer commanding will use such number of cups as he may consider necessary, in excess of the 10 per cent. at present allowed.

Cl. 198.—Priced Vocabulary of all Stores used in Her Majesty's Service, and provided by the Control Department, Clothing excepted.

1. Stores produced in the manufacturing departments that are issued on repayment, or prepayment to the Regular and Reserve Forces, or to any services which are provided for in the Army Estimates, will be charged for at the prices included in No. 1 balance sheet of the Vocabulary of stores to be immediately issued, and no percentage for departmental expenses will be added thereto. Charges against the troops for stores lost, damaged or destroyed, will be governed by the same rule.

2. With these exceptions the value of all manufactured stores issued on repayment or prepayment, and charges for such stores lost or destroyed, will be calculated upon No. 2 balance sheet; percentages for departmental expenses as laid down in paragraph 4, being added, except in the case of issues to Imperial Government Departments.

3. Stores provided by contract will be charged for at the contract rates included in this Vocabulary when issued on repayment, prepayment, or charged for as lost or destroyed; the percentages for departmental expenses being added, as provided for in paragraph 2.

4. The charge for departmental expenses above referred to will be calculated as follows, viz.:—

For issues made at foreign stations, 15 per cent. on the total value.

For issues at home stations, 5 per cent. on the total value.

These charges include all expenses incidental to receipt, inspection, storage, ordinary ...ue, and clerical labour at the store depôts and headquarters, but *not* the value ...r cases. The 5 per cent charged at home stations does not, however, cover ...riage, or special packing.

Digitized by Google

ARMY CIRCULARS—*continued.*

6. The above percentages will be added to claims without reference to the condition of the stores issued, but will not be assessed on charges for repairs, washing, and other labour, or on the value of stores sold by tender or auction.

7. Articles which have been issued on payment will on no account be received back into store, and they will, as far as practicable, be marked with the sale marks of the department before issue, viz., a reversed broad arrow, thus ⅄

8. All calculations connected with returns of the value of articles in store, or for general average, in the case of vessels carrying stores, will be made on No. 1 balance sheet.

9. In all repayment, and other vouchers of account, reports of issue, and demands, the names and descriptions given in the Woolwich Vocabulary must be strictly adhered to.

10. The priced Vocabulary of all stores used in the service and provided by the Control Department (clothing excepted), will be issued immediately to all whom it may concern.

Cl. 199.—Practice and Exercise Ammunition and Equipment for Horse and Field Artillery.

1. The following alterations and additions will be made in the detail of the proportions of practice and exercise ammunition for 12-pr. B. L. and 9-pr. M. L. R. Batteries, published in Clause 82, Army Circulars, 1871.

For B. L. Batteries.

For Twine choking, 7½ ozs., *read* Twine choking, 3 ozs.
Insert Worsted, No. 14, 12 ozs.

For M. L. R. Batteries.

For Silk, raw, 2 ozs., *read* Silk, raw, or sewing silk to choke and hoop, 4½ ozs.
For Twine choking, 4 ozs., *read* Worsted No. 14, 4 ozs.

2. The same corrections will also be made in the details of equipment, published with Clause 81, Army Circulars, 1871.

3. The following additions will be made to the peace establishment details of a battery of Royal Horse Artillery, published in Clause 81, Army Circulars, 1871:—

(*a*) At page 6: plugs, metal, fuze-hole, G. S. drill with lanyards ... ... 6.

(*b*) Primers, shrapnel shell, should correspond with the number of shells of that description.

(*c*) The details of camp equipment for flying columns, at page 11, should agree with the regulations laid down in Clauses 103 and 124, Army Circulars, 1871.

(*d*) Similar corrections as in (*c*) should be made in the details of field batteries at page 12.

Cl. 200.—Painting Smooth-bore Shot and Shell.

In reference to paragraph 10, of Clause 81, Army Circulars, 1868, it will only be necessary in future to paint such quantities of the smooth-bore shot and shell in charge of the Control Department as will be sufficient to replace the annual expenditure at practice by the Royal Artillery. Care must be taken, however, that the appropriated ordnance is kept complete with serviceable projectiles.

Cl. 201.—Hale's Rockets, Periodical Inspections.

1. The attention of officers having rockets of the above description in their charge is called to the orders contained in § 1881 "List of Changes," with regard to the special quarterly examination of rockets of Pattern II., and the transmission of a percentage of such rockets from certain stations for examination in the Royal Laboratory.

2. Reports will be made at once upon any appearance of rust or deterioration being observed in rockets of the pattern in question.

3. All rockets of this nature will be carefully examined before being issued from store.

Cl. 202.—Requisitions for Clothing.

The attention of commanding officers is called to Article 40 of the Revised Royal Clothing Warrant, 2nd January, 1865, respecting the dates upon which demands for the annual clothing are to be dispatched from regiments and corps serving at the several stations therein named. Commanding officers are requested to take steps to ensure

requisitions being sent from the corps at the time appointed, and to see that the documents are correctly made out and accompanied by size rolls, on the prescribed forms for the garments that are required to be supplied made up. Unless these particulars are strictly complied with the clothing cannot be prepared in sufficient time to allow of its receipt by the corps at the proper period.

Cl. 203.—Great Coats for Recruits.

1. With reference to paragraph 19 of the Instructions to inspecting field officers of recruiting districts, dated Horse Guards, 1st January, 1869, it is notified, for the guidance of the officers concerned, that when great coats are sent with recruits to other stations they should be delivered into the charge of the inspecting field officers at such stations. The usual receipt and delivery vouchers will be transmitted, and the officer receiving the coats will acknowledge the receipt, bring them on charge, and retain them for re-issue when required.

2. On the 31st March in each year, each inspecting field officer will transmit to the surveyor general of the ordnance an account, supported by the necessary vouchers, showing the receipt and disposal of all great coats during the previous twelve months.

3. A stock of 100 great coats will be kept up in each district, which will be demanded from the director of clothing, Grosvenor Road, London, to whom also application for the disposal of any coats considered useless will be addressed.

4. The great coats taken by recruits to regiments will be retained by such regiments (the usual vouchers being passed), and a report made to the director of clothing, who will give instructions as to their disposal.

APPOINTMENTS FOR ESTABLISHED MILITARY FOREMEN OF WORKS.

Cl. 204.

1. The Secretary of State for War has decided that all established military foremen of works and military clerks in the Royal Engineer Department shall have staff serjeants' appointments of the same pattern as the Royal Engineers.

2. Serjeants' appointments, viz., waist belt with plate, frog, sword bayonet and scabbard which may be in possession of these non-commissioned officers should be returned into store at the nearest control depôt, on receipt of the new appointments for staff serjeants.

3. A new pattern case for writing materials is now under consideration for issue to staff serjeants in lieu of the present pattern ammunition pouch; but the supply of this writing case, when approved, will not render necessary the exchange of the present pattern pouches in wear, which closely resemble the proposed pattern case in form and appearance, and should be retained in use until worn out.

ERRATA.

In the Second Appendix to the Regulations for Army Schools, issued with Clause 182, Army Circulars, 1871, the revised Article 464*a* of the Queen's Regulations should be omitted. A reference to the General Orders for October, 1871 (official copy), shows that Article 464*a* has been expunged by order.

In the last column of the table of weights given in Clause 173, Army Circulars, 1871, "tons" should be inserted instead of "cwts."

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

1st NOVEMBER, 1871.

CONTENTS.

G.O.
78. Staff Appointments — Colonel J. W. Armstrong, C.B., to be Deputy Adjutant General to the Forces.
79. Staff Appointments — Major General C. R. Egerton, to be Military Secretary to H. R. H. the Field Marshal Commanding in Chief.
80. Garrison Instructors—Officers of Regiments at Outstations may attend Classes.
81. Exchanges or Retirements of Officers —Under Old Rules.
82. Ammunition — Pouches to be occasionally tested.
83. Officers' Messes—Subscriptions to be assigned to Depôts.
84. Military Prisoners—Filling up Form of Commitment.
85. Civil Convictions—Soldiers committing Offences with a view to being Discharged.
86. Billets—To be paid for before leaving.
87. Discharges—By Indulgence.
88. Hired Troopships—Cooking on Board.

G.O. 78.—Staff Appointments.

The Queen has been pleased to appoint Colonel James Wells Armstrong, C.B., from Deputy Adjutant General, Ireland, to be Deputy Adjutant General to the Forces, *vice* Major General Caledon Richard Egerton, whose period of service on the Staff has expired.

Dated 1st November, 1871.

G.O. 79.—Staff Appointments.

The Field Marshal Commanding-in-Chief has been pleased to appoint Major General Caledon Richard Egerton to be his Military Secretary, from the 1st November next, in succession to Lieutenant General William Frederick Forster, whose period of service in that appointment expires.

G.O. 80.—Garrison Instructors.

When quarters are available at a station where there is a garrison instructor, one officer from each regiment at out-stations may be permitted to attend the class of instruction so as to make up the number to twelve officers, provided the public be put to no other expense than that of their conveyance to and from such station.

It is to be understood that there is no objection whatever to officers senior to those on whom the special examination is obligatory being allowed to attend the class of instruction, should there be vacancies after providing for such officers.

G.O. 81.—Retirements or Exchanges.

All applications for retirement or exchange, dated and left, on or before the 31st October, 1871, with the commanding officer, under whom an officer wishing to retire or exchange is serving, will be carried out and completed under the terms of the Royal Warrant of the 27th December, 1870.

GEN. ORDERS—*continued.*

G.O. 82.—Ammunition.

In consequence of reports having been frequently made that, on a change of ammunition, the new pattern will not fit into the pouches, commanding officers will occasionally cause each pouch in the regiment to be tested, and at once bring to the notice of the general officer commanding the district any instance of difficulty, as it is important that the ammunition should not only fit, but that the soldier should be able to pack it with facility.

G.O. 83.—Officers' Messes.

With reference to G. O. 43 of 1868, the proportion of mess subscriptions to be handed over to depôts is, in future, to be one fifth instead of one sixth.

G.O. 84.—Military Prisoners.

Commanding officers, in filling up W. O. Form 219 for the commitment of soldiers to civil or military prisons, will invariably give, on the third page, extracts from the court martial book of the soldier to be imprisoned. The following note on that page will be omitted in all fresh issues of W. O. Form 219:

"Where the particulars have been given to the same prison on a previous conviction, they need not be repeated here, but merely referred to in a remark written across the form."

G.O. 85.—Civil Convictions.

Commanding officers in complying with the instructions contained in G. O. 17, of 1871, will state whether in their opinion the soldier has committed the offence with a view to his obtaining his release from the Army, and whether they recommend that he should be discharged or retained in the service, with their reasons for such recommendation.

G.O. 86.—Billets.

It having been brought to notice, by innkeepers and others, that small parties or single soldiers, provided with billets, often neglect to pay for the same, alleging that they have no money, due care is to be taken that soldiers are always provided with sufficient money for the purpose, and all non-commissioned officers in charge of small parties, as well as soldiers travelling individually, will be held strictly responsible for the payment of their billets before leaving, as directed by Clause 3 of Army Circulars of 1868.

Serious notice will be taken of any instance of neglect of these instructions.

G.O. 87.—Discharges.

It is notified with reference to paragraph 1440 of the "Queen's Regulations and Orders for the Army," that, for the future, in all applications for discharge by indulgence, it is to be stated whether the soldier is under stoppage as a punishment.

G.O. 88.—Hired troop ships—cooking on board.

To prevent crowding in the troop galleys in hired ships, the commanding officer will in future, after the embarkation is complete, select the most competent man to cook for the whole of the troops on board, being assisted by one or two men according to the number embarked.

This does not apply to troops proceeding in H. M.'s troop ships.

By command,

RICHARD AIREY,
Adj. Gen.

MEDALS

GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.

40069
17

THE FIELD MARSHAL COMMANDING IN CHIEF having sanctioned Medals granted for acts of bravery in saving life being worn in Uniform, whenever a Society may consider any officer, non-commissioned officer or soldier entitled to receive a Medal, the decoration, together with a statement of the act of bravery performed, should be sent to the Adjutant General to the Forces, in order that the recipient's name may be registered, and the necessary authority issued for the distinction to be worn.

These Medals will be worn on the *Right Breast.*

REGULATIONS RESPECTING

FOREIGN MEDALS.

148
533

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British subject is at liberty to accept and wear a Foreign Medal, not being the decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An officer, soldier, marine or sailor must, however, first obtain permission from the Commander in Chief or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.
